Dear Bob:

Thank you for the notice of an application for a water diversion from Priest Lake. We note with interest that Dr. Ganz plans to place 200 feet of pipe on the bed of Priest Lake below the ordinary high water mark.

In November Dr. Ganz was advised that an easement or permit would be required for occupancy of the lakebed. We ask that a diversion permit be withheld until the Department of Lands receives the appropriate application from Dr. Ganz.

Dear Sir:

Please send the proper forms for water rights
and easement from Public Lands; I am interested
in a temporary easement, to pump water for
drinking purposes from the Lake, (Priest).

Sincerely,

Richard H. Ganz, M.D.
