Gentlemen:

A representative of this Department has made an examination of the works covered by your Permit No. 97-7008 and has found the following:

Amount of water that can be recognized as beneficially used under Idaho law: 1.0 cfs

Beneficial use: Fire protection and industrial purposes from Jan. 1 to Dec. 31 within the SW $\frac{1}{4}$ SW $\frac{1}{4}$, Sec. 19, Twp. 56N, Rge. 5W, B.M.

Point of diversion: SW $\frac{1}{4}$ SW $\frac{1}{4}$, Sec. 19, Twp. 56N, Rge. 5W, B.M.

Priority date established: August 21, 1970

Our examiner's report indicates that you are also using this water for manufacturing purposes whereas your permit lists only fire protection as a beneficial use. In order to include industrial purposes on the water license, it will be necessary to amend the permit. We have enclosed an application for amendment for your use. Please sign the application and return it with a \$10.00 filing fee within 10 days of the date of this letter in order that we may issue your water license as set forth above.

If you have any questions regarding this matter, please contact us within the 10-day period.

Attn: Dorian Clay,
Gentlemen: Appropriation Examiner

Thank you for your letter of the 18th calling attention to our error in correctly designating the point of diversion under Item 3a of our application.

We have taped over our original mark and hope that we now have it in the correct location and that you do not object to our having used the same form instead of retyping it.

Mr. Posey is on vacation and we did not want to delay the processing of our application any more than necessary.

Yours very truly,

Bernadine Hedger

ATTENTION: Lewis L. Posey

Dear Mr. Posey:

We are returning your application for permit and check in the amount of \$20.00, as there appears to be a discrepancy in the point of diversion.

Under item 3a, you have listed the point of diversion as being the SW $\frac{1}{4}$ SW $\frac{1}{4}$, Sec. 19, T. 56 N, R. 5 W, B. M. On the map on page three, you indicate the point of diversion as being the NW $\frac{1}{4}$ SW $\frac{1}{4}$ of Sec. 19.

As soon as you have made the necessary correction and resubmitted the application with the \$20.00 filing fee, we shall begin its processing.

If we can be of any further assistance in this matter, please feel free to contact us.

Very truly yours,

Dorian Clay,
