STATE OF IDAHO  
DEPARTMENT OF WATER RESOURCES  
CLAIM TO A WATER RIGHT

Under the provisions of Section 42-243, Idaho Code, any person using or claiming rights to the public waters of Idaho established by diversion and application to a beneficial use must file a claim with the Department of Water Resources on or before June 30, 1983. Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.

The filing of this claim does not confirm the water right claimed but failure to file may result in forfeiture of a water right.

Notice is hereby given that Richard C. & Lois I. Hamacher  
(Name of Claimant)  
Rt 4 Box 966 Oldtown ID 83822 Telephone No. 437-3593

claims a right to the diversion and beneficial use of the surface or ground water. The extent and nature of said claim is as follows:

A claim is not acceptable on a ground water source with a priority later than March 25, 1963 or on a surface water source with a priority later than May 20, 1971. An exception is that a claim may be filed on single family domestic use from a ground water source.

(2) Describe the source of water: (Name of stream, lake, spring, etc., or ground water) unnamed spring tributary to Pend Oreille River

(3) Describe the purpose for which the water has been used and the time during the year when you have used the right claimed:
