Dear Mr. Worthen:

We are returning your Check No. 92-311 in the amount of \$30.00 and your Claim to a Water Right for clarification.

In Item No. 3, you have listed the rate of diversion as 0.04 cfm and you have listed the amount in Item No. 4 as 4 cfs. It appears that you intended both to read 0.04 cfs.

In Item No. 5.a., you list the point of diversion in the NESE and in Item No. 6.a. you list the place of use within the NENE. The map however, shows the point of diversion within the SENE and the place of use within the NWSE.

If you have any questions, please contact me at this office.
