RE: Claim No. 97-4081

Dear Claimant:

The Department of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-243 and 42-244, IDAHO CODE. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filing and advertising of the claim does not confirm the water right claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have that information or evidence added at any time. Please refer to the claim identification number when corresponding with this office.

We are enclosing a copy of your claim for your records. If you have questions, or if this office may be of further assistance, please feel free to contact us.

Yours truly,

Robert G. Haynes, P.E.

We are returning your Check No. 19-2 in the amount of \$80.00 and your three claims to a water right for completion. To facilitate this matter, I have labeled the claims "A", "B" and "C" in the lower righthand corner of each claim respectively.

On Claims "A" and "C":

- Item 5.a. - Please complete this item by listing the Government Lot or quarter-quarter tract within which the spring (well) is located, and;
- Item 6.a. - Please complete this item by listing the Government Lot(s) and/or quarter-quarter tract within which the water has been used, and;
- Item 6.b. - Please list the number of year-round homes and the number of seasonal units, and;
- Map - On the map, please indicate the scale you have used in your drawing and outline the area where the water has been used.

On Claim "B":

- Item 2 - Please list the source as Priest Lake tributary to Priest River.
- Item 5.a. - Please complete this item by listing the Government Lot or tract within which the pump is located.
- Item 6.a. - Please insure that this item agrees with the map. It does not appear to do so at this time. The land is listed as being within the SWSW, but it appears that your drawing is within the SE $\frac{1}{4}$.
