Dear Mr. and Mrs. Cottrell:

We received your Application for Permit to appropriate water from Priest River submitted to us by Sommerfeld Realty. It was stated on the application that the present system had been in existence for many years. If the water has been used for the purposes described prior to 1971, you may want to file a "Claim to a Water Right" rather than the application. The Claim would record the existing water right with our Department and would have a priority date dating back to the time the water was first applied to a beneficial use.

We have typed a Claim for your review. If you wish to file this Claim, please complete Item #4, have your signature notarized, and return it to our office along with the required \$10 filing fee.

Please do not hesitate to contact us if there are any questions in this matter.
