Dear Mr. Lee:

The Department of Water Administration has completed the processing of your claims to a water right, and no further action is authorized under Section 42-225a and 42-225b, Idaho Code. Your claims will be retained in our files and will be available at any time for use by you or the court.

As you are aware, the filing of a claim does not, in itself, guarantee you a water right; it only records and preserves the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included in your claim files, you may have that information or evidence added at any time. Please refer to your claim numbers when corresponding with this office.

We are enclosing, for your records, copies of your claims. If you have any questions, or if we may be of any further assistance, feel free to contact us.

Very truly yours,

FRED EISENBARTH
Northern District Manager

Gentlemen:

Enclosed you will find a legal notice which we wish to have published once a week for two consecutive weekly issues of your newspaper. We have inserted the publication dates allowing ample time for you to submit us a galley proof for review before publication.

After sending us a galley proof, proceed with the publication on the dates we have inserted, assuming the notice is correct. If we have any corrections, we will notify you before the first publication. If you cannot publish the notice on the proposed dates, please contact us immediately.

An affidavit of publication must be submitted to the Department along with the publication bill. In order to receive payment, the following certification must appear on the bill:

~~"I hereby certify that the foregoing account is just and correct, that the amount claimed is legally due, after allowing all just credits, and that no part of the same has been paid."~~

~~-(signature of claimant)-~~

Very truly yours,

Fred Eisenbarth
