Re: Water Right License No. 35-8852 - Idaho Fresh Pak, Inc.

Dear Dave:

Your letter of April 27, 2006, has been circulated among the various officers of Idaho Fresh Pak, Inc. and we have been asked to respond. We very much appreciate your attention to this matter and do understand the scheduling complications faced by IDWR staff at the present time. We have been asked to advise that our clients are certainly willing to wait until October to address this issue. In the meantime, they will continue to divert and use water as has been done historically and will look forward to resolving the matter addressed in our letter to you of April 24, 2006.

We will try to calendar this item for about the first of October and try to make further contact with you at that time. Thank you again for your kind response and attention.

Yours very truly,

Kent W. Foster
