

MEMORANDUM

Date: November 28, 2006

To: Permit File 95-9042

From: Jeff Peppersack

Re: Assignment of Permit

An Assignment of Permit was received for the permit referenced above on November 27, 2006. The permit holder of record, Acme Materials & Construction Co., was merged to CPM Development Corporation (CPM). CPM submitted an assignment signed by Paul Salisbury, CFO for CPM. Per review by legal staff, the assignment, along with the merger documents, are sufficient to change the owner of the permit to CPM.
