PROOF ACKNOWLEDGMENT LETTER

RE: Permit No. 63-32134

Dear Permit Holder:

The department acknowledges receipt of the Proof of Beneficial Use form ("proof") submitted for the above referenced permit. Enclosed is an order reinstating the permit advancing the priority since proof was submitted after the proof due date. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

Be advised that Section 42-248, Idaho Code, requires you or the owner of water rights to maintain current ownership and address records on file with the department. For your information, forms to file a change of ownership of a water right, or a change in the address of the water right owner are available from any department office.

If you have any questions, please contact either the **Western** Regional Office of the department in Idaho Falls at (208) 334-2190, or Debbie Gibson at (208) 287-4942.

Sincerely,

Christine Roberts
