RE: Amended Statutory Claims 15-4066, 15-4067, and 15-4068

Dear David:

IDWR has entered the amendments to your three statutory claims – 15-4066, 15-4067, and 15-4068 – into the water rights database. While completing the data entry, I noticed a discrepancy that you might want to review. You included 5 acres of irrigation in the NW $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 25, T15S, R35E, B.M., in the place of use description for the three claims. The map submitted with your claims, however, seems to depict the SE $\frac{1}{4}$ NE $\frac{1}{4}$, not the NW $\frac{1}{4}$ SE $\frac{1}{4}$. I have enclosed a copy of the land list shown on your claims and a copy of the map for you to review.

If there is an error, or if you have any questions, please call me at 208-287-4947, or email me at shelley.keen@idwr.idaho.gov.

Sincerely,

Shelley W. Keen
Water Rights Supervisor
