RE: Application No. 71-7170

Dear Mary,

Our law firm represents Jon & Wei Christianson, the applicants in the above – numbered application. It appears that the Department is requiring them to submit certain documentation within thirty (30) days of the date of your letter, and if that does not occur, the IDWR may seek to void their application. Please consider this letter a written request for an additional ninety (90) days in which provide the information sought pursuant to the IDWR's rules. I will certainly work with the Christiansons to provide this information to you as soon as possible. However, given the holidays, and because my clients' reside in China, furnishing this requested documentation within the 30 day time frame will definitely be problematic. I am hopeful that an extension will be forthcoming based upon such good cause, and I will endeavor to work with you in advancing the application.

Please advise me at your earliest opportunity regarding this request for an extension. If you have any questions or comments, please contact me.

Yours truly,

Gary D. Slette
