RE: Changes of ownership for 57-1010, 57-7245, 57-11630, and 57-11663

Dear Mr. Mortensen:

Water records show several water rights in the name of J & M Cattle Company, Inc. IDWR recently learned that you were doing business as F & M Cattle Company, Inc. Neither J & M Cattle Company, Inc., nor F & M Cattle Company, Inc., appear on the Secretary of State's list of entities registered to do business in Idaho. Based on our conversation yesterday, I now understand that the water rights listed above may be owned by Fullmer & Mortensen Cattle Company, Inc., which is registered as an Idaho business entity.

Idaho Code § 42-248 requires water right owners to maintain current ownership and address records on file with IDWR. Please provide IDWR with up-to-date ownership information for the water rights listed above. If the ownership has changed from J & M Cattle Company, Inc., ownership change notices and/or assignments of permit will be required to update your water right records. I am enclosing 2 copies of each of the following for you to complete and return to the department with their filing fees: Assignment of Permit, for 57-11630 & 57-11663; and Notice of Change in Water Right Ownership, for 57-1010 and 57-7245. Additionally, the Notice of Change in Ownership requires documentation to support your change. Please refer to the instructions.

Once the ownership information is up-to-date for Permits 57-11630 and 57-11663, IDWR will process the proof of beneficial use statements that I am expecting from you.

If you have any questions or if you have more water rights that will require changing, please contact me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
