**RE: APPLICATION FOR PERMIT NO. 67-8047**

Dear Ms. Ritter:

I apologize for the delay of sending you this response. I acknowledge receipt of the enclosed Proof of Beneficial Use ("proof") referring to permit no. 67-8047, which according to the department's records was withdrawn. Therefore, I am returning this original proof with the following explanation why the department cannot accept it.

On July 31, 2006, I sent you a Proof Due Notice for permit no. 67-14423. I have not received a response to my request to date. Therefore, the permit has lapsed and a notice sent to you on October 10, 2006. Attached is a copy of the permit issued for no. 67-14423.

During my review of the proof you filed on behalf of 67-8047 and the microfilm of that file, I found that Adams County Recreation District filed an application for permit to appropriate water on November 2, 1999. The application was protested by Alvin &/or Ressa Yantis, and the department was prepared to process the protest according to the department's rules of procedure. However, on December 14, 2000, Francee Wassard, withdrew the application on behalf of the Board for Adams County Parks and Recreation. The department acknowledged the withdrawal on January 2, 2001, to Francee Wassard and the protestants. The department removed the application from its records and the file was destroyed. Because the application was protested and withdrawn, development of the water use and proof are not appropriate.

I request that you contact me immediately at (208) 287-4942, and advise me of the status of permit no. 67-14423 for which proof would be appropriate and can still be accepted. Additionally, if the proof filed on behalf of permit no. 67-8047 was an error, please change the

number on the proof form to 67-14423 and return the proof to my attention. If you do not have a permit to construct a system for delivery and use of water within the state of Idaho, I suggest you contact a water right agent at the Western Regional office located on Airport Way, in Boise, telephone number 334-2190.

Sincerely,

A handwritten signature in black ink, reading "Deborah J. Gibson". The signature is fluid and cursive, with the first name "Deborah" being more prominent and the last name "Gibson" following in a similar style.
