NOTICE TO RESUME WATER USE

Re: Water Right No. 65-1972 and 65-1973

Dear Applicant(s):

On the 21ST of March 2002, the department approved two Applications for Extension of Time to Avoid Forfeiture for Water Rights nos. 65-1972 and 65-1973. The department granted these requests for the domestic uses. One condition of the approvals was that diversion and use of this water must resume on or before November 1, 2006. Failure to resume use of the water and to notify the department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

I am enclosing a Resumption of Use form for your use to notify the department of your resumption of use of the water right. Please complete the form and return it to my attention at the above address.

If you have any questions regarding this matter, please contact me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
