RE: PERMIT NO. 77-14221

Dear Permit Holder:

Enclosed is a copy of the approved request for extension of time submitted in connection with the above referenced permit that extends the time within which to submit proof of beneficial use of water to **November 1, 2008**.

Please note that the department granted this extension based on good cause. It is important that you work diligently toward the completion of this project during the construction period allowed since the department may not be able to grant additional extensions based on good cause.

According to Section 42-248, Idaho Code, that requires you or the owner of this water right to maintain current ownership and address records on file with the department. If it becomes necessary in the future, please contact any office of the department for the proper form(s) to file a change of ownership of a water right and/or a change in the address of the owner.

Please feel free to contact the department if you have questions.

Sincerely,

A handwritten signature in black ink that reads "Deborah J. Gibson". The signature is written in a cursive, flowing style.
