Re: Application For Transfer of a Water Right.

Dear Mrs. Duddleston:

The Idaho State Department of Water Resources is in the final stages of processing your application to transfer a water right. Before the application can go to advertising, I will need to make a site visit to verify water use under Statutory Claims #95-9285 and #95-9286.

Would you please get in touch with me, at your earliest convenience, so a meeting can be arraigned to review the place of use under the claims. I am located at the Coeur d' Alene office and can be reached at 1-208-769-1450.

Thank you.

Sincerely,

Keith E. Franklin
Water Resources Agent
