**NOTICE OF PROPOSED CHANGE
TO WATER RIGHTS**

Notice is hereby given that three Applications for Transfer have been filed with the Idaho Department of Water Resources for changes to water rights within Cassia County. **SCHORZ-MAN RANCH INC, 3298 E 1400 S; MALTA ID 83342** filed Application No. **72160** and Application No. **72162** on **7/28/2006**. These transfers propose splitting water right 43-2450C currently used to irrigate 186 acres (3.72 cfs) from groundwater on lands approximately 3 miles north and 10 miles east of Malta Idaho. If these transfers are approved these lands will not be irrigated. **Transfer 72160** proposes to move 82 acres (1.64 cfs) to lands located approximately 2 miles north and 6 miles east of Malta and combine it with an existing water right (43-2470, 2.08 cfs, 150 acres) from groundwater to irrigate a total of 232 acres (3.72 cfs). The existing well at the site will be utilized. **Transfer 72162** proposes to move 104 acres (2.08 cfs) to lands located approximately 1 mile north and 10 miles east of Malta and combine it with an existing water right (43-2533, 1.84 cfs, 136 acres) from groundwater to irrigate a total of 240 acres (3.92 cfs). The rights are proposed to be used in a permissible place of use of 469 acres that are also served by Sublett Irrigation Company shares. The existing well at the site will be utilized. **EAST VALLEY CATTLE LLC, PO BOX 587; JEROME ID 83338** amended Application No. **72837** on 10/10/2006. Transfer 72837 was originally filed 11/09/2005 but was recently amended to propose drying up 255 acres of irrigated land and converting the water use to stockwater and commercial uses associated with a new heifer raising facility to be built at or near the land being dried up. The site is located in Section 35 T11S, R27E, B.M. approximately 8 miles North and 5 miles East of Malta, Idaho. The new facility will be supplied water from two new wells to be drilled at the site. It is proposed that 2.00 cfs (560.2 acre feet per annum) coming from portions of 8 water rights ranging in priority of 1950 to 1965 be utilized by the facility. For specific details regarding an application, please contact IDWR Southern Regional Office at 208-736-3033 or visit www.idwr.idaho.gov with detail provided under "New Water Right Applications". Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Protests against approval must be filed with IDWR, Southern Region; 1341 Fillmore St.-Suite 200; Twin Falls, ID 83301 with a protest fee of \$25.00 for each application on or before November 13, 2006. The protestant must also send a copy of the protest to the applicant.
