Dear Mr. Brockway:

The Department of Water Resources acknowledges receipt of the five (5) above referenced Applications for Transfer filed on behalf of W. Bruce Willis.

This office has scheduled advertising Transfer Nos. 4983 & 4984 in the both the Camas Courier and Wood River Journal on 1/22 & 1/29/97. The legals for the three (3) applications are scheduled to appear solely in The Wood River Journal also on those dates.

The advertisement(s) will be published for two weeks, and a period of ten days following the second publication will be allowed for the submittal of protests.

If an application is protested, you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

The department's review process may have to include field investigation and verification of the claims which is required as part of the Snake River Basin Adjudication.

State Office personnel will conduct a complete review prior to final processing of the application and will notify you of the outcome of this review.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely yours,

Corey Skinner, E.I.T.
Safety of Dams Engineer
