RE: Statutory Claim filing for Grace Dam

Dear Sirs:

Please find enclosed a claim and accompanying map for PacifiCorp's Grace dam and forebay. This is the storage component of our Grace hydro project near Grace, Idaho. Upon review of our records for the project and consequent research, we were unable to find a filing or decreed right for the storage although the dam was constructed in 1908.

Also enclosed is a filing fee of \$500.00 as per the instructions. If you have any questions, please contact me at (801)220-2252 or via e-mail at Claudia.conder@PacifiCorp.com. Thank you for your consideration in this matter.

Cordially,

Claudia Conder
Water Rights Administrator
