Subject: G&G Dairy Transfer 72393 & Amended Permit 36-8735...

Hi Jason,

Enclosed is a map that shows a problem with the Place of Use for these two. We plotted out the parcels and a small odd-shaped parcel was not conveyed in the deeds provided and **no acres in the NWNW were mentioned**, yet your shape has a pie-shaped wedge in it that is in the NWNW quarter. Please check on these problems and see if there are more deeds or if need be, submit new maps and transfer & amended permit applications. I'll wait to hear from you. Thanks, Jeanie
