RE: Water Right 63-11343

Dear Ms. Clark:

Onsite, LLC is the new owner of Water Right 63-11343, and is filing a Notice of Change of Water Right Ownership. We have been advised by you that the Water Right has the status of Water Supply Bank Active, with an Expiration Date of 12/31/06. Please correct the Water Bank records to reflect Onsite, LLC as the Lessor. Please also extend the term of the Water Bank Lease indefinitely. We will notify you when we wish to have the Water Right released from the Water Bank. Thank you for your assistance in this matter.

Sincerely,

Todd Massey, Manager
Onsite, LLC
