RE: Permit No. 37-21294

Dear Permit Holder:

Enclosed is a copy of the approved request for extension of time submitted in connection with the above referenced permit extending the time within which to submit proof of beneficial use to **July 1, 2007**. Your request was submitted after the proof due date, however after reviewing the file it appears the department did not serve you notice of the proof at your current address. Your last request received June 6, 2005, reflected your address on Silvercreek Lane, but the department's database was not updated at that time. Please note that the approved request reinstates the permit, without advancing the priority date of the permit based on department error, as referenced in Section 42-218a, Idaho Code. I have enclosed a copy of a Water Right Report from the department's database that reflects the current address of record for you.

It is important that you work diligently toward the completion of the development during the construction period allowed since the department may not be able to grant additional extensions in connection with this permit.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Please contact any office of the department for the proper form to file a change of ownership of a water right and/or a change in the address of the owner.

Please contact me at (208) 287-4942, if you have any questions or comments regarding this matter.

Sincerely,

Deborah J. Gibson
