WATER RESOURCES

Attention: Deborah Gibson

Dear Deborah:

This letter is to inform you that we made an error on the "Proof of Beneficial Use" form which was dated 9-05-06. Item # 4 the well driller should be DPWD and the drilling permit number should be 893512-838841. We mistakenly entered Down Right Drilling and the permit number as D-0030-604 which was the driller on the domestic well a couple of years ago.

We are enclosing a Corrected Copy of the Proof of Beneficial Use with the correct information. We apologize for any inconvenience or confusion this may have caused.

Sincerely,

Charles E. Maher
