RE: PERMIT NO. 85-15442

Dear Permit Holder:

Enclosed is a copy of the approved request for extension of time submitted in connection with the above referenced permit which extends the proof due date to **August 1, 2007**. Please note that the approved request reinstates the permit, however, since your request was submitted after the proof due date the priority of the permit advances to **April 14, 2004**, as referenced in Section 42-218a, Idaho Code.

Please note that the department has granted this extension based on **due diligence**. It is important that you work diligently toward the completion of the development during the construction period allowed since the department may not be able to grant additional extensions based on due diligence.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Please contact any office of the department for the proper form to file a change of ownership of a water right and/or a change in the address of the owner.

Please feel free to contact the department if you have questions.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
