RE: Water Right 67-11447

Dear Mr. and Mrs. Winston:

The Department of Water Resources acknowledges receipt of your notice of change in water right ownership. Our review of your notice indicates that this water right will need to be split since you do not own the entire portion of land that it covers. I have enclosed a map for your reference.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be \$100 unless you can provide proof of ownership for the entire water right.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information/fee. If we do not receive the necessary information/fee within 30 days we will return your notice and all attachments and your notice will not be processed.

If you have any questions regarding this matter, please call our office at (208) 287-4944.

Sincerely,

Cherie Padilla
