Re: Water Right No. A61-04122

Greetings:

On September 19, 2005, we mailed to you a Notice of Change in Water Right Ownership for Water Right No. A61-04122, together with a Warranty Deed evidencing the transfer of real property. Because the Warranty Deed did not contain a satisfactory legal description or a reference to the water right, we were told that the change of water right could take some time.

In an effort to speed the process, enclosed please find a copy of the Warranty Deed between Mark and Kathleen Wyman, husband and wife, and Christopher Lee Corbus, which now references the transfer of Water Right No. A61-04122. This Warranty Deed has been re-recorded in the Elmore County records.

I have enclosed a copy of our original Notice of Change in Water Right Ownership. Could you please now process this change and return the appropriate documents to our office. If you have any questions please contact me.

Sincerely,

ASHCRAFT and MILLER, P.L.L.C.
