RE: PERMIT NO. 72-16624 and 72-16625

Dear Permit Holder:

I have enclosed copies of the approved Requests for Extension of Time ("requests") you submitted to the department in connection with the above referenced permits, which extends the time to submit proofs of beneficial use to **September 1, 2007**. Please note that the department granted these extensions based on evidence of **due diligence**. It is important that you work diligently toward the completion of these projects during the construction period allowed, since the department may not be able to grant any additional extension requests based on this category.

Section 42-248, Idaho Code requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Please contact any office of the department for the proper form to file a change of ownership of a water right and/or a change in the address of the owner. Additionally, these forms can be found on our website at: www.idwr.idaho.gov

If you have any questions regarding this matter, contact me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
