CONDITIONS OF APPROVAL

1. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 130.
2. Prior to the diversion and use of water under Transfer approval 72390, the right holder shall install and maintain acceptable measuring devices, including data loggers, at the authorized points of diversion, in accordance with Department specifications.
3. A lockable device subject to the approval of the Department shall be maintained on the diverting works in a manner that will provide the watermaster suitable control of the diversion.
4. Right holder shall comply with the drilling permit requirements of Section 42-235, Idaho Code and applicable Well Construction Rules of the Department.
5. Domestic use is for 2 homes and an office.
6. Commercial use is for a dairy.
7. Prior to the diversion and use of water under this approval, the right holder shall comply with applicable county zoning and use ordinances.
8. Prior to the diversion and use of water under this approval, the right holder shall comply with applicable water quality permitting requirements administered by the Department of Environmental Quality or the Department of Agriculture.
9. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
10. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
