RE: William Nelson Hatch Water Right No. 29-2476

Dear Ms. Hatch:

Thank you for inquiring about the status of Water Right 29-2476. The water right is still in the name of William Nelson Hatch. New property owners are required to notify IDWR of the change in water right ownership. IDWR has not yet received an ownership change notice from the new owners. Ownership change forms are available from IDWR's internet site at <http://www.idwr.idaho.gov> or from any IDWR office.

Water Right 29-2476 was not claimed in the Snake River Basin Adjudication (SRBA), which is a court proceeding intended to confirm or reconfirm all water rights existing prior to November 19, 1987. If the water right is not claimed, it may be lost. If the current property owners still use water in accordance with Right 29-2476, I recommend that they contact the SRBA court in Twin Falls to determine if they can file a late claim. The court's phone number is 208-736-3011.

If you have any questions, please call me at 208-287-4947, or email me at [shelley.keen@idwr.idaho.gov](mailto:shelley.keen@idwr.idaho.gov).

Sincerely,

Shelley W. Keen
