RE: Water Right 91-7136

Dear Mr. Vail:

The Department of Water Resources acknowledges receipt of your notice of change in water right ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

☐ **Signature**

☐ **Legal Description of Property**

☐ **Plat of Property or Survey Map** usually on file with the county

Without a map or legal description, it cannot be determined what lot the deed is conveying to you. Please enclose at least one of the items so your request can be processed.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call our office at 208-287-4944.

Sincerely,

Cherie Padilla
