**WATER RIGHT NO(S) 02-202A
WATER SUPPLY BANK RENTAL AGREEMENT**

CONDITIONS OF WATER USE

- 4 Rental of the specified right from the bank does not, in itself, confirm the validity of the right or any elements of the water right, or improve the status of the right including the notion of resumption of use. It does not preclude the opportunity for review of the validity of this water right in the ongoing Snake River Basin Adjudication or any other department application process.
- 5 Use of water under this agreement does not constitute a dedication of the water to renter's land and upon expiration of this agreement, the points of diversion and place of use of the water shall revert to those authorized under the water right and/or again be available to rent from the bank.
- 6 This rental does not grant any right-of-way or easement to use the diversion works or conveyance works of another party.
- 7 Use of water under this agreement shall not prejudice any pending permanent transfer applications that the renter has filed to modify other water rights for irrigation of the subject lands nor shall it prejudice any future rental agreement that may be made of the subject water right after this rental agreement expires.
- 8 Renter agrees to comply with all applicable state and federal laws while using water under this agreement.
- 9 Renter agrees to hold the Board, the Director and the state of Idaho harmless from all liability on account of negligent acts of the renter while using water.
- 10 Renter acknowledges and agrees that the Director may terminate diversion of water if the Director determines there is not a sufficient water supply for the priority of the right or portion thereof being rented.
- 11 Failure of the right holder to comply with the conditions of this agreement is cause for the Director to rescind approval of the rental agreement.
