Re: Ownership Change for Rights

The ownership change filed July 31, 2006 by Ostbergs listed rights 61-7185B and 61-11818. Review of the deed submitted with the notice and the water rights listed showed a discrepancy in location. The correct water rights are 61-11929 (part) and 61-10278. The attached image and drawing are copies from the claim file for 61-11929. The Ostbergs purchased the west ½ of the lot owned by Ryman, which included 2.5 acres of irrigation under 61-11929. The domestic and stockwater use under 61-11929 are also associated with the home and lot purchased by Ostbergs. Right 61-10278 is duplicate coverage for one of those domestics.
