RE: Application for Transfer of Water Right 71642
Rights 37-7808, 37-8005B, 37-8005C & 37-8005D

Dear John and Mike Faulkner:

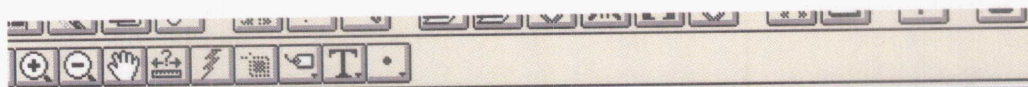

The enclosed Draft Approval reflects the changes agreed upon during your recent meeting with Cindy Yenter, Watermaster of Water District 130. The Draft Approval splits the original 427-acre place of use into a specific 163-acre place of use for Right 37-7808, and a 264-acre permissible place of use for the other three rights. See attached layout of associated shapes.

The Department will hold final processing of the Draft Approval for 10 days to allow for any comment. If no comment is received in that time, the Transfer will be issued as drafted.

If you require additional information regarding this matter, please call me directly at (208) 287-4951, e-mail me at pam.skaggs@idwr.idaho.gov or contact me by mail, and I will be happy to assist you.

Sincerely,

Pamela S. Skaggs
Sr Water Rights Agent
