Re: Transfer No. 71642

Dear Mr. Faulkner:

I have received your letter of July 13, 2006 requesting additional time to review the concerns identified in the Department's letter of June 15, 2006, related to the transfer referenced above. The Department will hold further processing of your application for an additional 60 days to allow submittal of an alternate proposal or to provide additional information in support of your existing application. Additional time may be granted by the Department upon receipt of a written request and sufficient justification for an extension. After that time, if we do not receive a response from you regarding the application, the Department will issue a preliminary order to reject or deny the application.

Please call if you have questions or additional needs related to this issue.

Sincerely,
