RE: Water Rights 36-14657, 36-14665, 36-10687. Second Notice

To Whom It May Concern:

The Department of Water Resources acknowledges receipt of your notice of change in water right ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 x **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

The documentation submitted for water right 36-14657 is sufficient and can be processed however; the other two water rights need further evidence to indicate a conveyance of property to Aardema Farms Limited Partnership. Water right 36-14665 is located in the SW $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 11. The deed that was submitted did not indicate ownership to Aardema Farms in this portion of Section 11. Also water right 36-10687 is located in the SW $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 36. Once again we did not receive evidence of ownership to Aardema Farms for this described property.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

If you have any questions regarding this matter, please call our office at 208-287-4944.

Sincerely,

Cherie Padilla
