ASSIGNMENT OF
PERMIT.DOC

Dear Mr. McCoy:

I received your Proof of Beneficial Use on 7/18/06. It is unusual that you have chosen to file proof on two permits and combined the information and the filing fees. The department does maintain separate files for each permit. I will ask my supervisor if the department can accept the proof in its present state. I also see that you have filed proof in the name of the "Bluegrouse Ridge Homeowners Association." This change does require an Assignment of Permit form to be completed and filed with the department for each of these permits. If you prefer to combine that information, I believe the department can accommodate you. However, you will need to pay a filing fee of \$25.00 for each permit.

You are welcome to call me and let me know what you prefer to do, and if you have any questions I can answer.

Sincerely,

Deborah Gibson
