RE: PERMIT NO. 37-8877

Dear Permit Holder:

The Department acknowledges receipt of your Request for Extension of Time received on July 19, 2004 in connection with the above referenced permit. I understand that Blaine County Planning & Zoning Commission is delaying development of this permit because of review and approval of the subdivision. Please provide me with evidence to substantiate the basis for your request for extension by providing me with copies of documents you have received from Blaine County causing the delay, since your previous extension. The department will only extend the proof deadline for the actual time you were delayed during the last development period, according to Section 42-204(1), Idaho Code.

Please return your response to my attention within **thirty (30) days** of the date of this mailing. Upon my review of your response, I will notify you of the decision reached.

If you have any questions regarding this matter, please contact me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
