NOTICE TO RESUME WATER USE

Re: Water Right No. 61-11963

Dear Applicant(s):

The department issued on November 1, 2005, an Order Extending Resumption of Use Due Date for Water Right no. 61-11963. This order was in response to your request for additional time to complete the reconstruction of a well in the NWSE of Section 36, Township 04 South, Range 05 East in Elmore County. However, the department did not notify you according to statute of the July 1, 2006 deadline and provide the appropriate form. Therefore, enclosed is a Second Order Extending Resumption of Use Due Date giving you until September 20, 2006 to file a response to this notice and order.

Enclosed is a Resumption of Use form. Please complete the form and file it with the department on or before **September 20, 2006**. Failure to resume use of the water and to notify the department of the use would be cause for the water to revert back to the state and again be subject to appropriation.

If you have any questions regarding this matter, please contact me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
