Subject: 79-10188 - Owner Change

Kara,
Pam from D.L. Evans Bank called today to confirm that water right 79-10188 was not conveyed to CCCS and should not have been listed on the notices. When the other rights are processed, please add a line to the acknowledgement letter indicating that 79-10188 was not processed based on the legal description and the confirmation from the Bank.

Also, please check to see if a refund is due.

You can add this message as a memo to the file.

Thanks,
Jeff
