RE: Water Right 43-4221

Dear Mr. and Mrs. Wickel:

The Department of Water Resources acknowledges receipt of your notice of change in water right ownership. Our review of your notice indicates that additional information is required before we can process the change.

I have enclosed a map for your reference. The portion outlined in black indicates the property described by the warranty deed you submitted. The yellow sections on the map indicate water right 43-4221. Unless you can show ownership for the entire water right, we will need to split it.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be and additional \$75 unless you can provide proof of ownership for the entire water right.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information/fee. If we do not receive the necessary information/fee within 30 days we will return your notice and all attachments and your notice will not be processed.

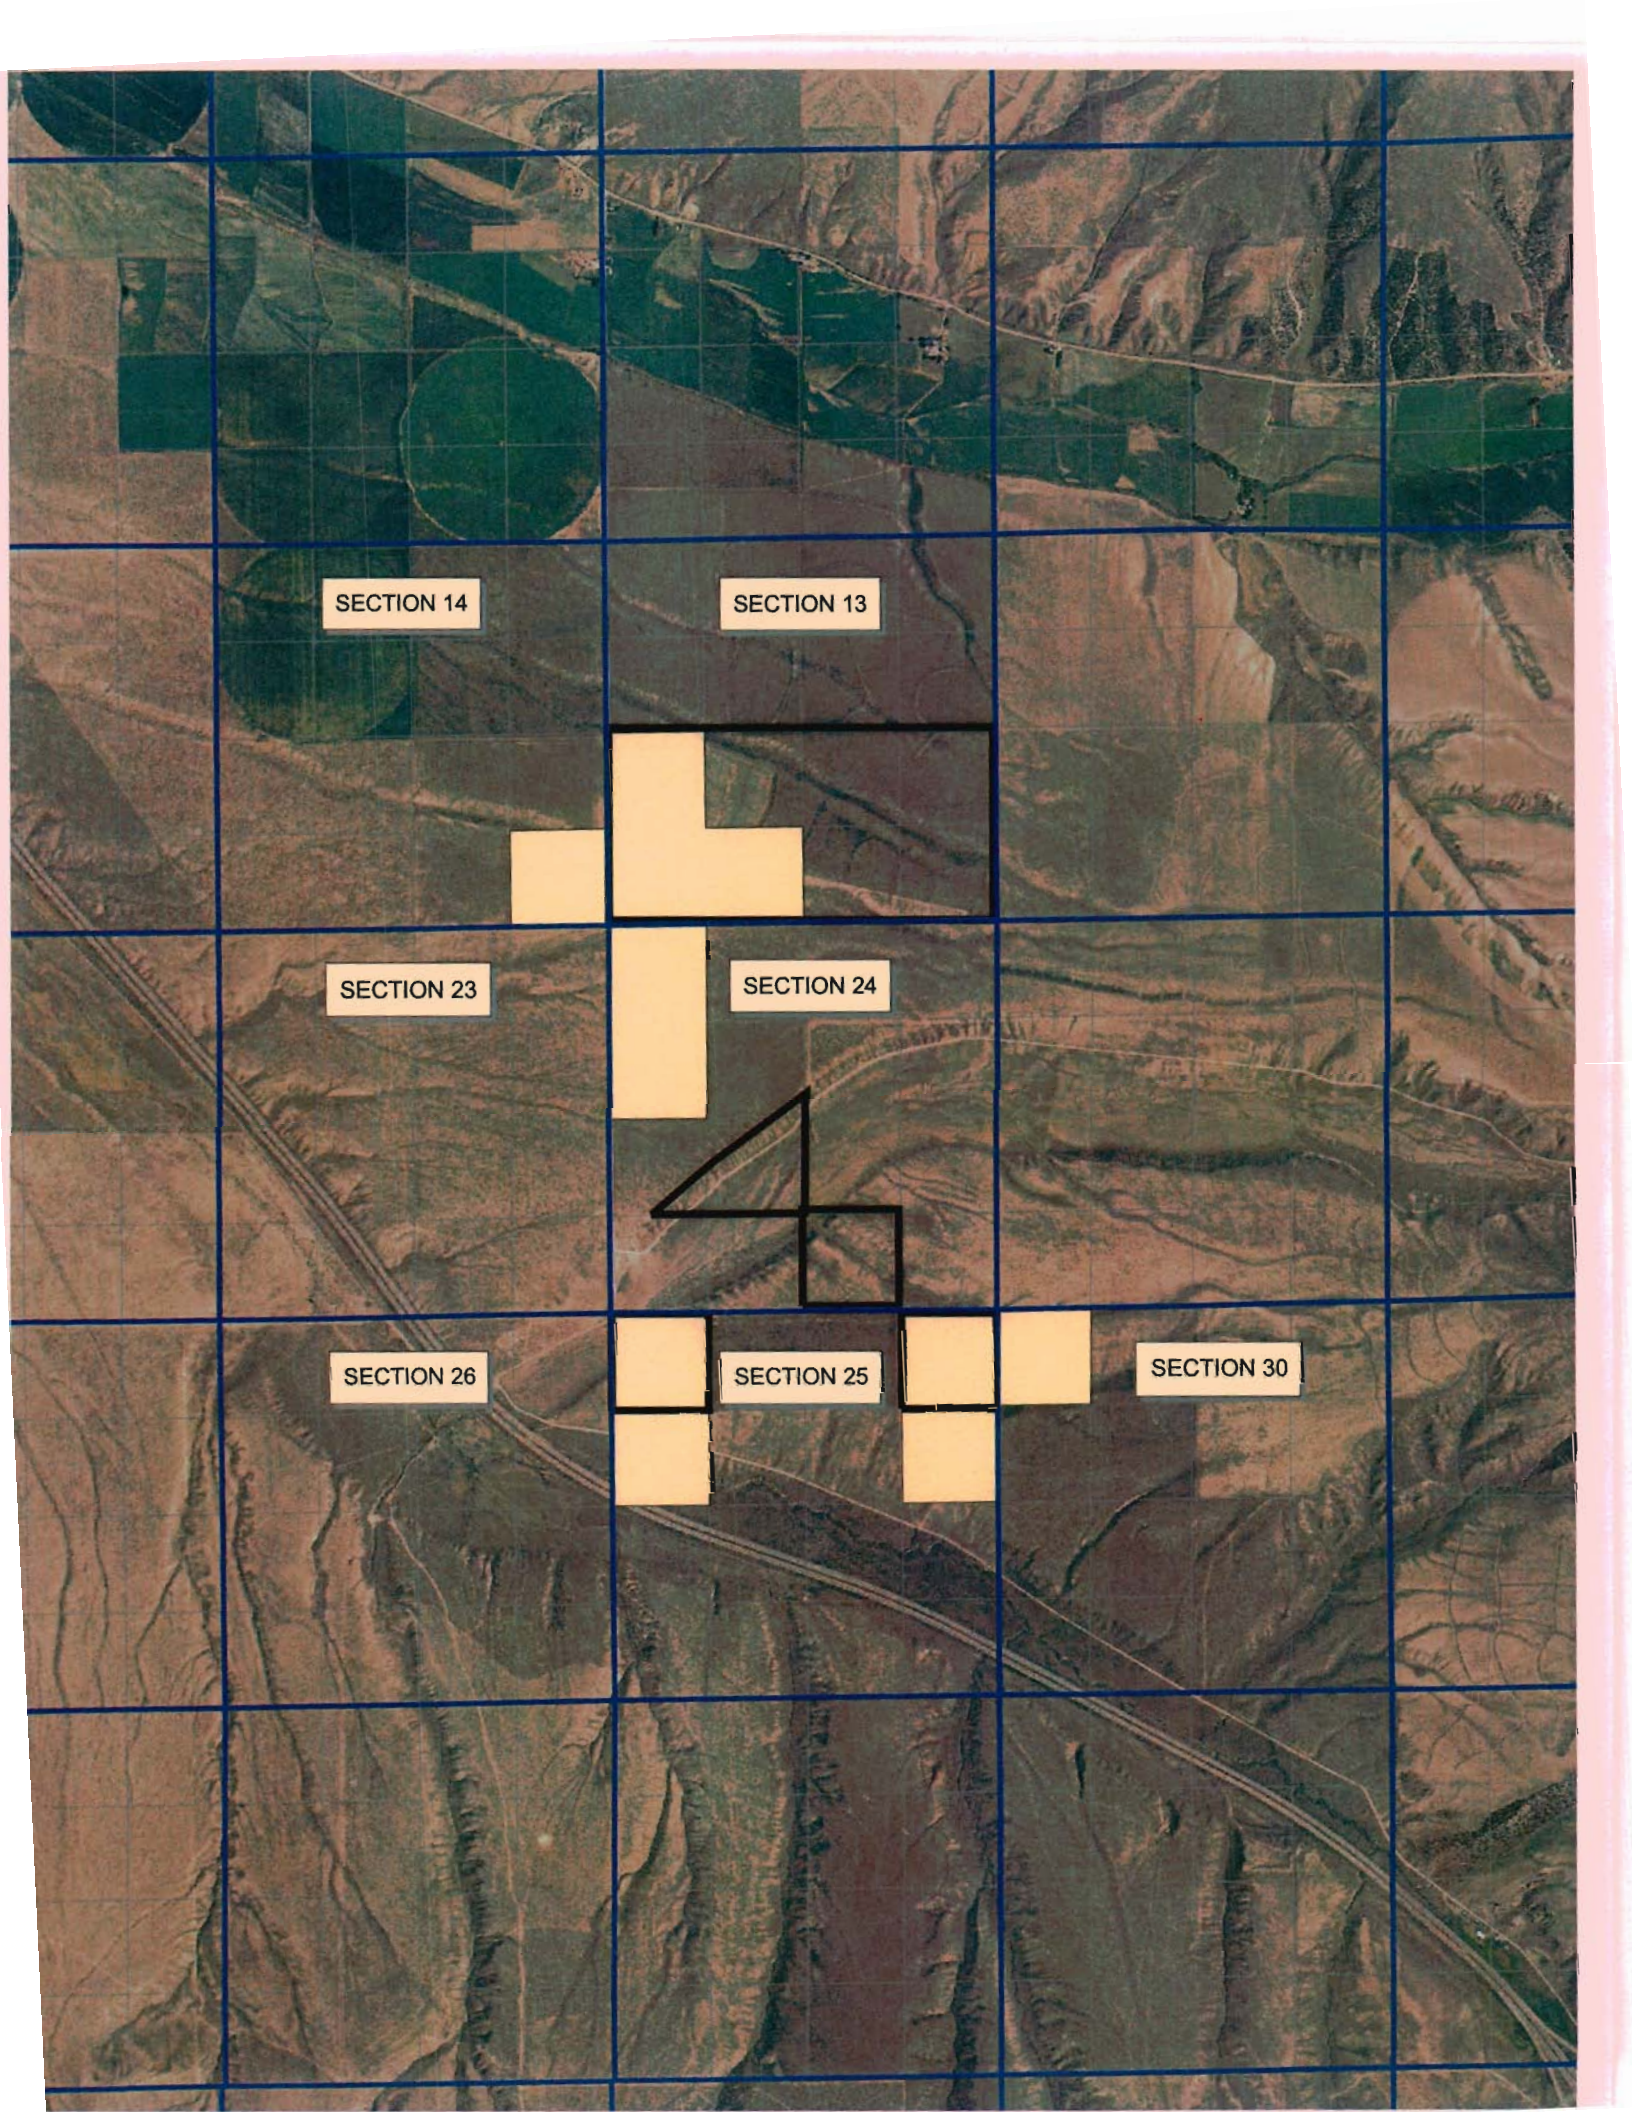

If you have any questions regarding this matter, please call Cherie Padilla at (208) 287-4944.

Sincerely,

Cherie Padilla
