PROOF ACKNOWLEDGMENT LETTER

Re: Permit Nos. 37-20386, 37-20387, 37-20388, and 37-20389

Dear Permit Holder:

I acknowledge receipt of the Proof of Beneficial Use you filed in connection with the above referenced permits. Enclosed is an order reinstating the permits without advancement of the priority based on department error. The next step in the process of developing a water right is for the department to contact you to schedule a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial use.

Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have questions about the field examination, please contact the **Southern** Regional Office of the department at (208) 736-3033.

Sincerely,

Christine Roberts
