CONDITIONS OF APPROVAL

1. Proof of application of water to beneficial use shall be submitted on or before **September 1, 2007**.
2. Subject to all prior water rights
3. The right holder shall not divert water at a rate exceeding what is reasonably necessary for the beneficial use authorized by this right.
4. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 01.
5. Prior to diversion of water under this right, the right holder shall install and maintain a measuring device and lockable controlling works of a type acceptable to the Department as part of the diverting works.
6. This right does not grant any right-of-way or easement across the land of another.
7. Use of water under this right shall be non-consumptive.
8. Should the use of the water on this right reduce the quality of water available to prior water rights and make it unusable to satisfy the prior appropriations, the right holder shall cease diversion under this right.

This permit is issued pursuant to the provisions of Section 42-204, Idaho Code. Witness the signature of the Director, affixed at Boise, this 28th day of August, 2006

For KARL JOHREHER, Director
