Re: Address change form

To whom it may concern:

The department of Water Resources recently received the enclosed correspondence (resent 06/11/06), due to incorrect address information. In order to update your address information with this department, please sign and return the enclosed change form. **Your signature on this form lets us know that you authorize us to make the change of address for our records.**

This is my second request for this information. No further attempt will be made to correct this information with IDWR and future correspondence to you may not be delivered to the address currently on file.

I've enclosed a prepaid envelope for your use in returning the form. Thank you for your assistance. Please feel free to contact me if you have any questions regarding this item.

Sincerely,

Christine Roberts
