PROOF ACKNOWLEDGMENT LETTER

RE: Permit No. 96-9022

Dear Permit Holder:

The department acknowledges receipt of the Proof of Beneficial Use form ("proof") submitted for the above referenced permit together with a license examination fee in the amount of \$50.00. Enclosed is an order reinstating the permit advancing the priority since proof was submitted after the proof due date. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

Be advised that Section 42-248, Idaho Code, requires you or the owner of water rights to maintain current ownership and address records on file with the department. For your information, forms to file a change of ownership of a water right, or a change in the address of the water right owner are available from any department office.

If you have any questions, please contact either the **Northern** Regional Office of the department in Coeur D'Alene at (208) 769-1450, or myself at (208) 287-4942.

Sincerely,

A handwritten signature in cursive script that reads "Deborah J. Gibson". The signature is written in dark ink and is positioned above the printed name and title.
