PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 47-17094

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to contact you to schedule a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial use.

Please note, it appears item #5 on the permit may still need to be completed before the field examiners scheduled visit. That field examination is syet to be determined but it may be prudent to complete this item as soon as possible.

Also, be advised that Section 42-248, Idaho Code, requires water right owners to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have questions about the field examination, please contact the **Southern** Regional Office of the department in Twin Falls at (208) 736-3033.

Sincerely,
