RE: PERMIT NO. ~~9-13719~~ 29-13719

Dear Permit Holder:

Enclosed is the original Proof of Beneficial Use form ("proof") you filed with the department on June 5, 2006. I am returning the proof to you because the department cannot accept it without the appropriate license exam fee, or a completed Beneficial Use Field Report from a certified water right examiner. The fee is specifically for a department examiner to prepare a Beneficial Use Field Report for the issuance of a water right license, which is the final step for obtaining a water right. Your permit is for a surface water source (a spring) with a diversion rate of 0.04 cfs, which your fee would be \$50.00. For your information, please see the fee schedule attached to the proof's instructions.

Please return the enclosed proof form to me with the appropriate filing fee on or before **October 1, 2006** to avoid lapsing of this permit. If you have any questions regarding filing the proof, please contact me at (208) 287-4942, or the regional office in Idaho Falls at (208) 525-7161.

Sincerely,

Deborah J. Gibson
