PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 95-9341

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial use.

During my review of the proof you filed, I see you claimed 1.6 acres. Please note, the permit is approved for 1 acre. The department will rely on the field examination to clarify this discrepancy.

Be advised that Section 42-248, Idaho Code requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have any questions or wish to clarify this discrepancy, please contact the **Northern** Regional Office of the department in Coeur D'Alene ID at (208) 769-1454.

Sincerely,

Christine Roberts
