RE: PERMIT NO. 63-31661 and 63-31662

Dear Permit Holder:

I have enclosed copies of the approved Requests for Extension of Time ("requests") you submitted to the department in connection with the above referenced permits, which extends the time to submit proofs of beneficial use to **June 1, 2006**. Please note that the department granted this extension based on evidence of **due diligence**. It is important that you work diligently toward the completion of this project during the construction period allowed, since the department may not be able to grant an additional extension request based on this category.

Section 42-248, Idaho Code requires you or the owner of this water right to maintain current ownership and address records on file with the department. Please contact any office of the department for the proper form to file a change of ownership of a water right and/or a change in the address of the owner. Additionally, these forms can be found on our website at: www.idwr.state.id.us

If you have any questions regarding this matter, contact me at (208) 327-7953.

Sincerely,

Deborah J. Gibson
