By this statement I attest that:

I am the owner of the following property known as Tax #9695 in Section 1 SW1/4 of SW1/4 T49NO R4W BM Kootenai County Idaho. This property was deeded to me in June 1975 from Henry E. and Nancy Mae Larson, my father and mother. This deed, document #675632, (enclosed) reserves rights to a spring and easement for the house on this property. This spring and easement were granted with the land in the 1932 deed from American Trust Company, document #80752, (also enclosed). Thus this spring has been used for this property since at least 1932.

In 1968 my father, Henry E. Larson, buried a supplemental water line from Lake Coeur d'Alene to the house. This line was for domestic, irrigation and fire suppression.

Dated and signed this 30 day of January, 2006.

RE: Water Right No 95-9330

Greg

Henry Larson and Nancy Mae Larson (my father and mother) bought the subject property (T.N.9695 in Sec1,T49S,R4WBM) in 1963. There was a pump for irrigation in the lake at that time, but the domestic water came from a 1/3 ownership in a spring up on the hill. The lake pump is still at the same location today.

The house that is on the Meckel survey dated July 30, 2004, (Tract 5), was built in 1967. The water for domestic purposes was from the spring that fed my folks main house, and the irrigation was from the overflow from the spring. There was never any water usage from the lake for this parcel until 1999.

In the spring of 1999 the renter put a small pump and water line in the lake for irrigation, as the over flow from the spring was so undependable. This pump belongs to the renters... This has been the only lake water to this home and both the home and lake water intake are on tract 5 of the above mentioned survey.

In the spring of 2005 I watched a blue backhoe dig the new line down to the lake and enter the lake on tract 4 of this survey, thus connecting the house on tract 5 to lake water for domestic purposes.

If the Carlson's are successful in moving Gail Larson's permit, (on parcel 9695) 200 feet west to serve their tracts 4 & 5, then should not Gail Larson need to remove her system. There is at this time three water lines on that beach; one on parcel 9695, one on tract 4 and one on tract 5. There appears to be only one water right to serve them.

RE: Water Right Claim No 95-9328 and 95-2329

Dear Claimant(s):

The Department of Water Resources acknowledges receipt of your water right claim. Please refer to the above referenced number in all future correspondence regarding this application.

A legal notice of the claim has been prepared and is scheduled for publication in the Coeur d'Alene Press on March 2 and 9, 2006. If exceptions to the claim are filed you will be sent a copy of the exceptions(s).

The filing and advertising of the claim does not confirm the water right claimed. It will serve to record and preserve the information and the evidence, including any exceptions, regarding the claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have the information or evidence added at any time. Corrections to the claim may be made by filing an amended claim; no additional filing fees are required to amend a claim.

Also, please note that water right owners are required to report any change of water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions.

We are enclosing a copy of the claim for your records. Please feel free to contact this office if you have any questions.

Sincerely,

Keith E. Franklin

Re: claims to water rights for Gail Larson (2) and Nancy Carlson (2)

Dear Sir:

Please find enclosed four Claims to Water Rights. Two are for Nancy Carlson and two are for Gail Larson.

Will you please return a copy of each "Claim to a Water Right" application once the Claim No. has been placed on them? I am enclosing a pre-paid envelope for the four applications copies. I do not wish copies of the rest of the documentation only the application front and back.

Sincerely,

Nancy Carlson
